

Alberta Grassroots Meeting

The Vinyl Siding Institute, Inc. (VSI), in cooperation with VSI's Alberta Grassroots group, will host meetings in Edmonton and Calgary, Alberta in December.

These educational sessions and interactive discussion forums will include informative presentations on the advantages of vinyl siding as the cladding of choice and how vinyl siding meets the demands of today's residential market as it relates to:

- Green building
- Fire safety
- Design specification

VSI will also present a wealth of tools that are available to promote the benefits of vinyl siding. These meetings are open to builders, contractors, industry sales and marketing personnel, and other supporters of the vinyl siding industry. Please spread the word!
